

7º CURSO SOBRE EVALUACIÓN Y TRATAMIENTO DE LA DISFAGIA OROFARÍNGEA

PROFESORADO

Helena Bascuñana, MD. Physical Medicine and Rehabilitation. Hospital de la Santa Creu i Sant Pau. Barcelona.

Gemma Garmendia, MD, PhD. Otorhinolaryngologist. Hospital Quirón. San Sebastián.

Raquel Bances, MD. Physical Medicine and Rehabilitation. Hospital Universitario Nuestra Señora de La Candelaria. Santa Cruz de Tenerife

Salvador Jiménez, SLP. Hospital General Universitario Gregorio Marañón de Madrid.

Mª Angeles Valero, MD, PhD. Endocrinologist and nutrition. Hospital 12 de Octubre. Madrid.

Secundino Fernández. University Clinic of Navarra. Department of Otolaryngology. Chairman of the Committee on Phoniatrics and oropharyngeal dysphagia of the Spanish Society of Otorhinolaryngology and head and neck SEORL.

DECEMBER 12th: DIAGNOSIS THURSDAY MORNING

8:30-9:00 Documentation delivery

9:00-9:30: Opening

Mr. Luis Ortiz Saénz
National CEO
Abbott Nutrition International.

Professor Dr. Antonio Álvarez Badillo.
Director of the Department of Physical
Medicine and Rehabilitation at the University
Complutense of Madrid

Professor Dr. Antonio Luis Villarino Marín.
President Spanish Society of Nutrition and
Food Science. Professor at University
Complutense of Madrid.

09:30:-10:15 What do I need to know about anatomophysiology of oropharyngeal swallowing to evaluate and treat oropharyngeal dysphagia?

Helena Bascuñana

10:15-11:15 What are the characteristics of deglutition in the various neurological diseases that cause oropharyngeal dysphagia?

Helena Bascuñana

11:15-11:45

11:45-12:45 What screening methods are used in oropharyngeal dysphagia? How can we diagnose oropharyngeal dysphagia only by clinical examination?

Gemma Garmendia

12:45-13:30h Workshop MECV-V. Viscosities, consistencies and textures.

Gemma Garmendia

13:30h-14:00h COLLOQUIUM

7º CURSO SOBRE EVALUACIÓN Y TRATAMIENTO DE LA DISFAGIA OROFARÍNGEA

THURSDAY AFTERNOON

15:30-16:30 What are the fiberoendoscopic and videofluoroscopic findings that make me diagnose oropharyngeal dysphagia and permit me to model a personalized treatment?.

Gemma Garmendia

16:30-17:30: How do I do the screening and diagnosis of malnutrition?

M^a Ángeles Valero

17:30-18:00h 

18:00-18:30 How do I do a videofluoroscopy and how I should do the report?

Helena Bascuñana

18:30-19:30h How do I make an evaluation report and treatment plan in oropharyngeal dysphagia?

Gemma Garmendia

19:30-20:00 COLLOQUIUM

7º Curso Disfagia Madrid'13

DESEMBER 13TH: TREATMENT AND CLINICAL CASES

FRIDAY MORNING: TREATMENT

9:00-10:00 What deglutition postural techniques and maneuvers should be used to improve or compensate for oropharyngeal dysphagia? What exercises should I do to improve the oral and pharyngeal phases of swallowing?

Helena Bascuñana

10:00-10:45h When and how should I use botulinum toxin in the treatment of oropharyngeal dysphagia?

Raquel Bances

10:45- 11:15 

FRIDAY AFTERNOON:

CLINICAL CASES

16:00-16:45h. Total and partial glossectomy. Is it possible total oral feeding?

Salvador Jiménez

16:45:17:45h: Have we been all clear?. Interactive method. Gemma Garmendia, Helena Bascuñana, M^a Angeles Valero

11:15- 12:30 h What interventions and surgical treatments can I do and in what cases?

Gemma Garmendia

12:30- 13::30 How I can nourish and hydrate a patient with oropharyngeal dysphagia? When and how should I refer to the Service of Endocrinology and Nutrition? What care requires a PEG tube?

M^a Ángeles Valero

13:30- 14:00h Advances in laryngeal research. How can I measure laryngeal sensitivity?

Secundino Fernández.

17:45-18:30h: How you do it? "I will do so".

Course participants

18:30-19:30h: Clinical cases.

Gemma Garmendia, Helena Bascuñana

19:30h **CLOSING** Dr. Alberto Rocha. President. Spanish Society of Doctors for Nursing Homes SEMER.

SECTION "I WILL DO SO." RULES OF PRESENTATION

As in previous editions, the 7th edition of the course features the "I WILL DO SO" where you can expose your experience in oropharyngeal dysphagia. The goal is to participate actively and thereby strengthen ties between the knowledge of all who is working on this issue. To submit your work must be enrolled at least the part of the course that starts at 16:00 on Friday.

The topic must be related to oropharyngeal dysphagia. Abstracts should be sent only via e-mail at: cursodisfagia@gemmagarmendia.com. The deadline for submitting abstracts is October 15, 2013. They should be send in Word version 2003. Notification of acceptance / rejection will be sent before October 30, 2013. The presentations will be sent in PowerPoint format version 2003 between November 1-15th . There is a limit of two abstracts per author. Abbreviations should be defined the first time they appear in the text. For example, gastroesophageal reflux disease (GERD). You should not use abbreviations in the title. All abstracts must be submitted and presented in Spanish. They should not exceed 3500 characters and should have at least 900 characters including spaces. Tables and / or graphs should only be included if they are crucial to the understanding of the abstract. The authors will made their presentation at the 7th Course Evaluation and Treatment of Oropharyngeal Dysphagia in "I WILL DO SO". The presentation will last 15 minutes. You can include videos.
